"Dark, sexy, and intense, Prisoner is an emotional ride that does not let go until the end. I loved it!" ~ Kristen Callihan, USA Today bestselling author

HE SEETHES with raw power the first time I see him—pure menace and rippling muscles in shackles. He's dangerous. He's wild. He's the most beautiful thing I've ever seen.

So I hide behind my prim glasses and my book like I always do, because I have secrets, too. Then he shows up in the prison writing class I have to teach and he blows me away with his honesty. He tells me secrets in his stories, and it's getting harder to hide mine. I shiver when he gets too close, with only the cuffs and the bars and the guards holding him back. At night, I can't stop thinking about him.

But that's the thing about an animal in a cage—you never know when he'll bite. He might use you to escape. He might even pull you into a forest and hold a hand over your mouth, so you can't call for the cops. He might make you come so hard, you can't think.

And you might crave him more than your next breath.

"Sexy, dark and thrilling. I loved every second!" ~ Katie Reus, New York Times bestselling author

"Prisoner is terrific and frightening, sexy and dangerous, sweet and heavy on messed up, tortured characters. ALL LOVERS of Dark Erotic Thrillers must read this book!" - Mistik Ink

"Prisoner is captivating, emotional, and raw. I can't wait to read it again. This might just be my favorite book of the year." - Wicked With Ink
